By Takeshi Murai

Bubool, a penguin with a shower cap on his head has the magical power to make anything out of bubbles. He lives in Fluffy Town with his twin brothers Paty & Hat and friends.

As Bubool likes to make people happy,
he has a special surprise plan today
for everybody in Fluffy Town.

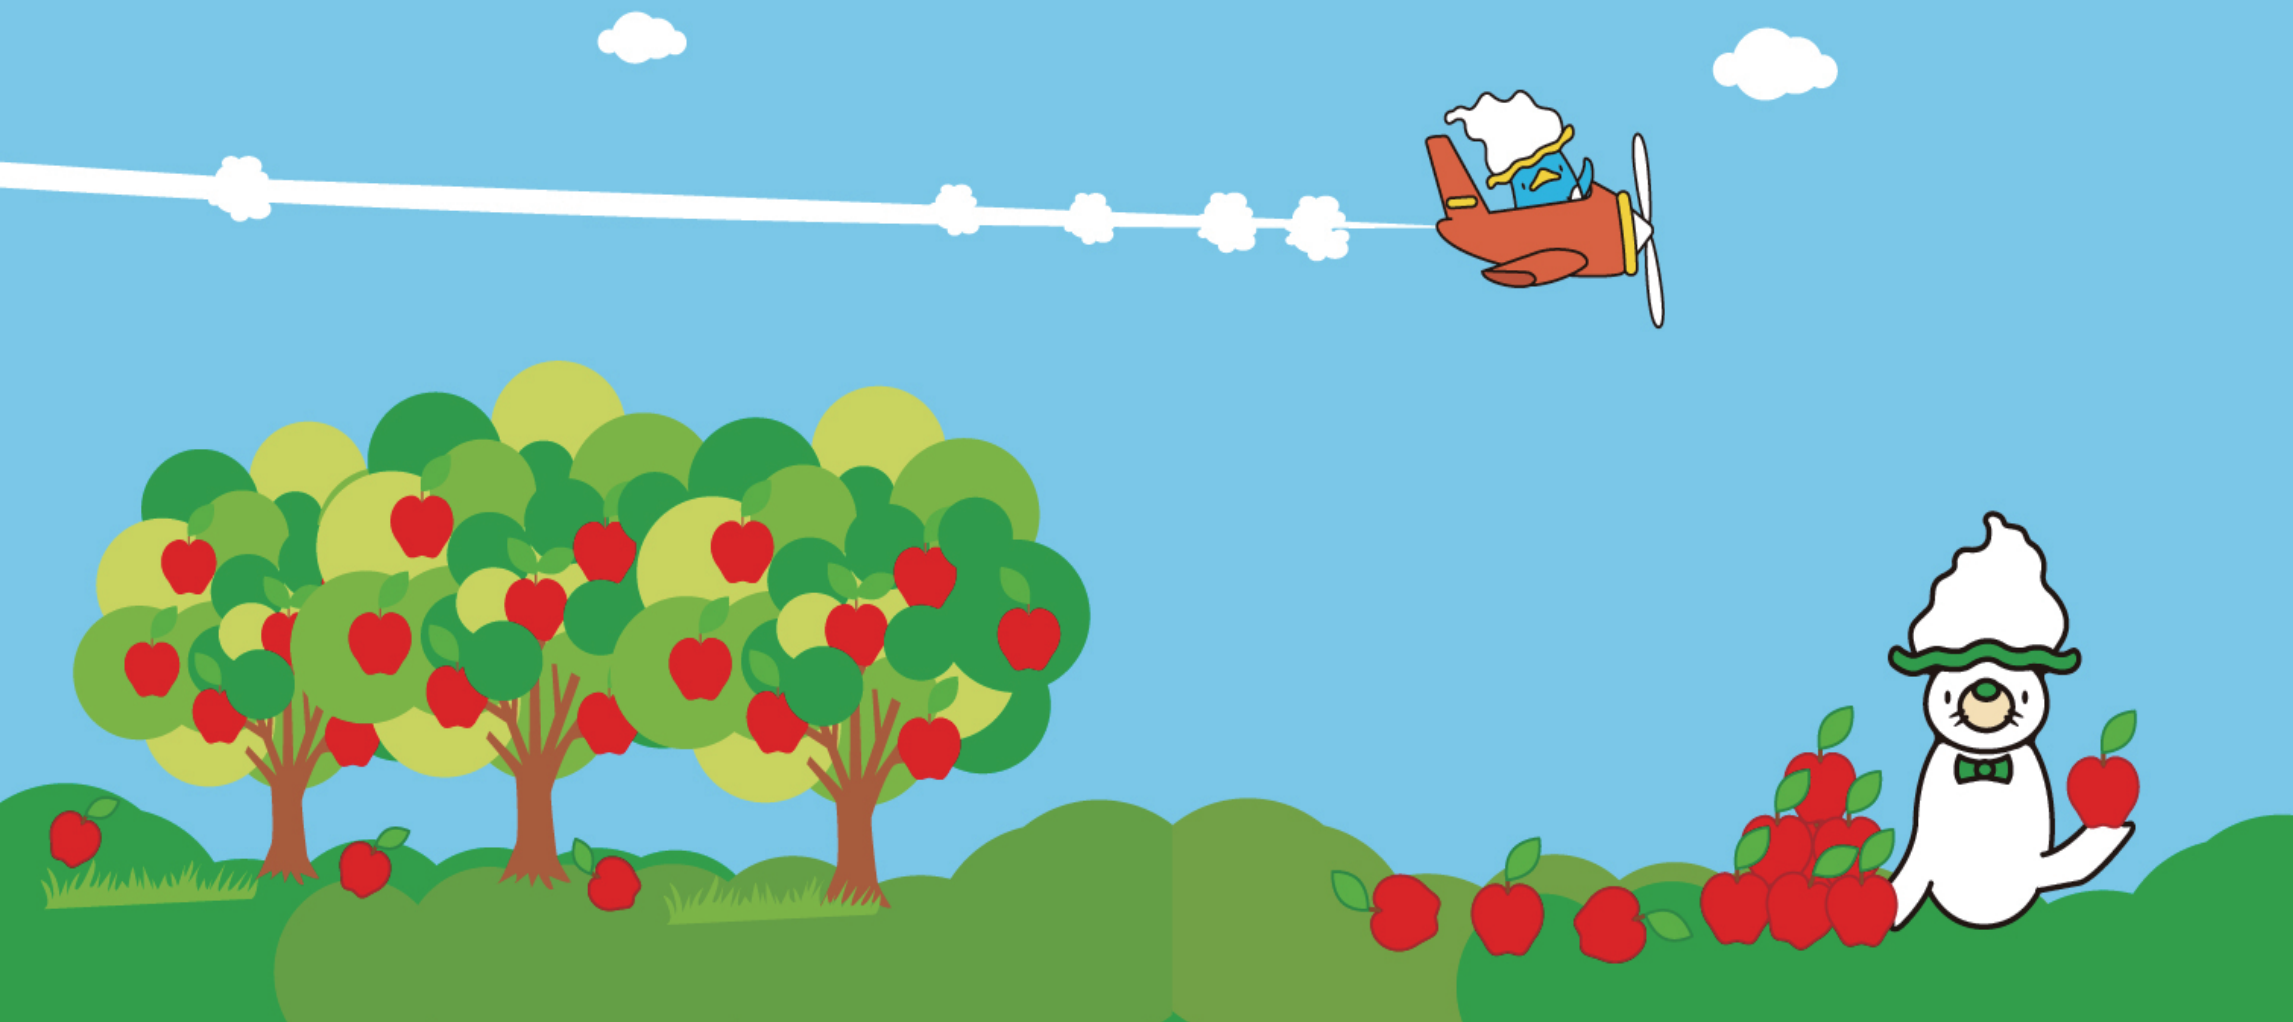

"I need to pick up my buddies!"
Then Bubool gets in his special airplane to
look for his friends

First, Bubool goes to pick up Zeal,
a seal working hard to grow delicious
fruits in an orchard.

"I am very happy you are here, Bubool.
These delicious apples are just ready to eat!"
Zeal says so and gets in Bubool's airplane.

While Bubool and Zeal are flying,
they see a dancing fairy in the woods.

They are fascinated by her beautiful dance.
"I love her dance but it is about time to
get everybody!"

After a while, Bubool and Zeal come above the ocean then found Bubool's twin brothers playing and riding on a whale in the ocean.

"Thank you, brother Bubool for coming to pick us up! We love riding in on a whale but we love riding in an airplane too!"
Then they jumped into the airplane.

Then, they come to the flower fields where Lovool, Bubool' s girlfriend works. She smells good as she is surrounded by flowers all the time.

"Thank you Bubool , these flowers smell good, don't they!"

Bubool finds Pipi, Lovool's sister playing happily with some dogs and cats on a hill next to the flower fields. Lovool and Pipi get in Bubool's airplane.

All of sudden, grey clouds grow
and it starts raining.

Polar, a white bear invite them to take shelter
from rain.

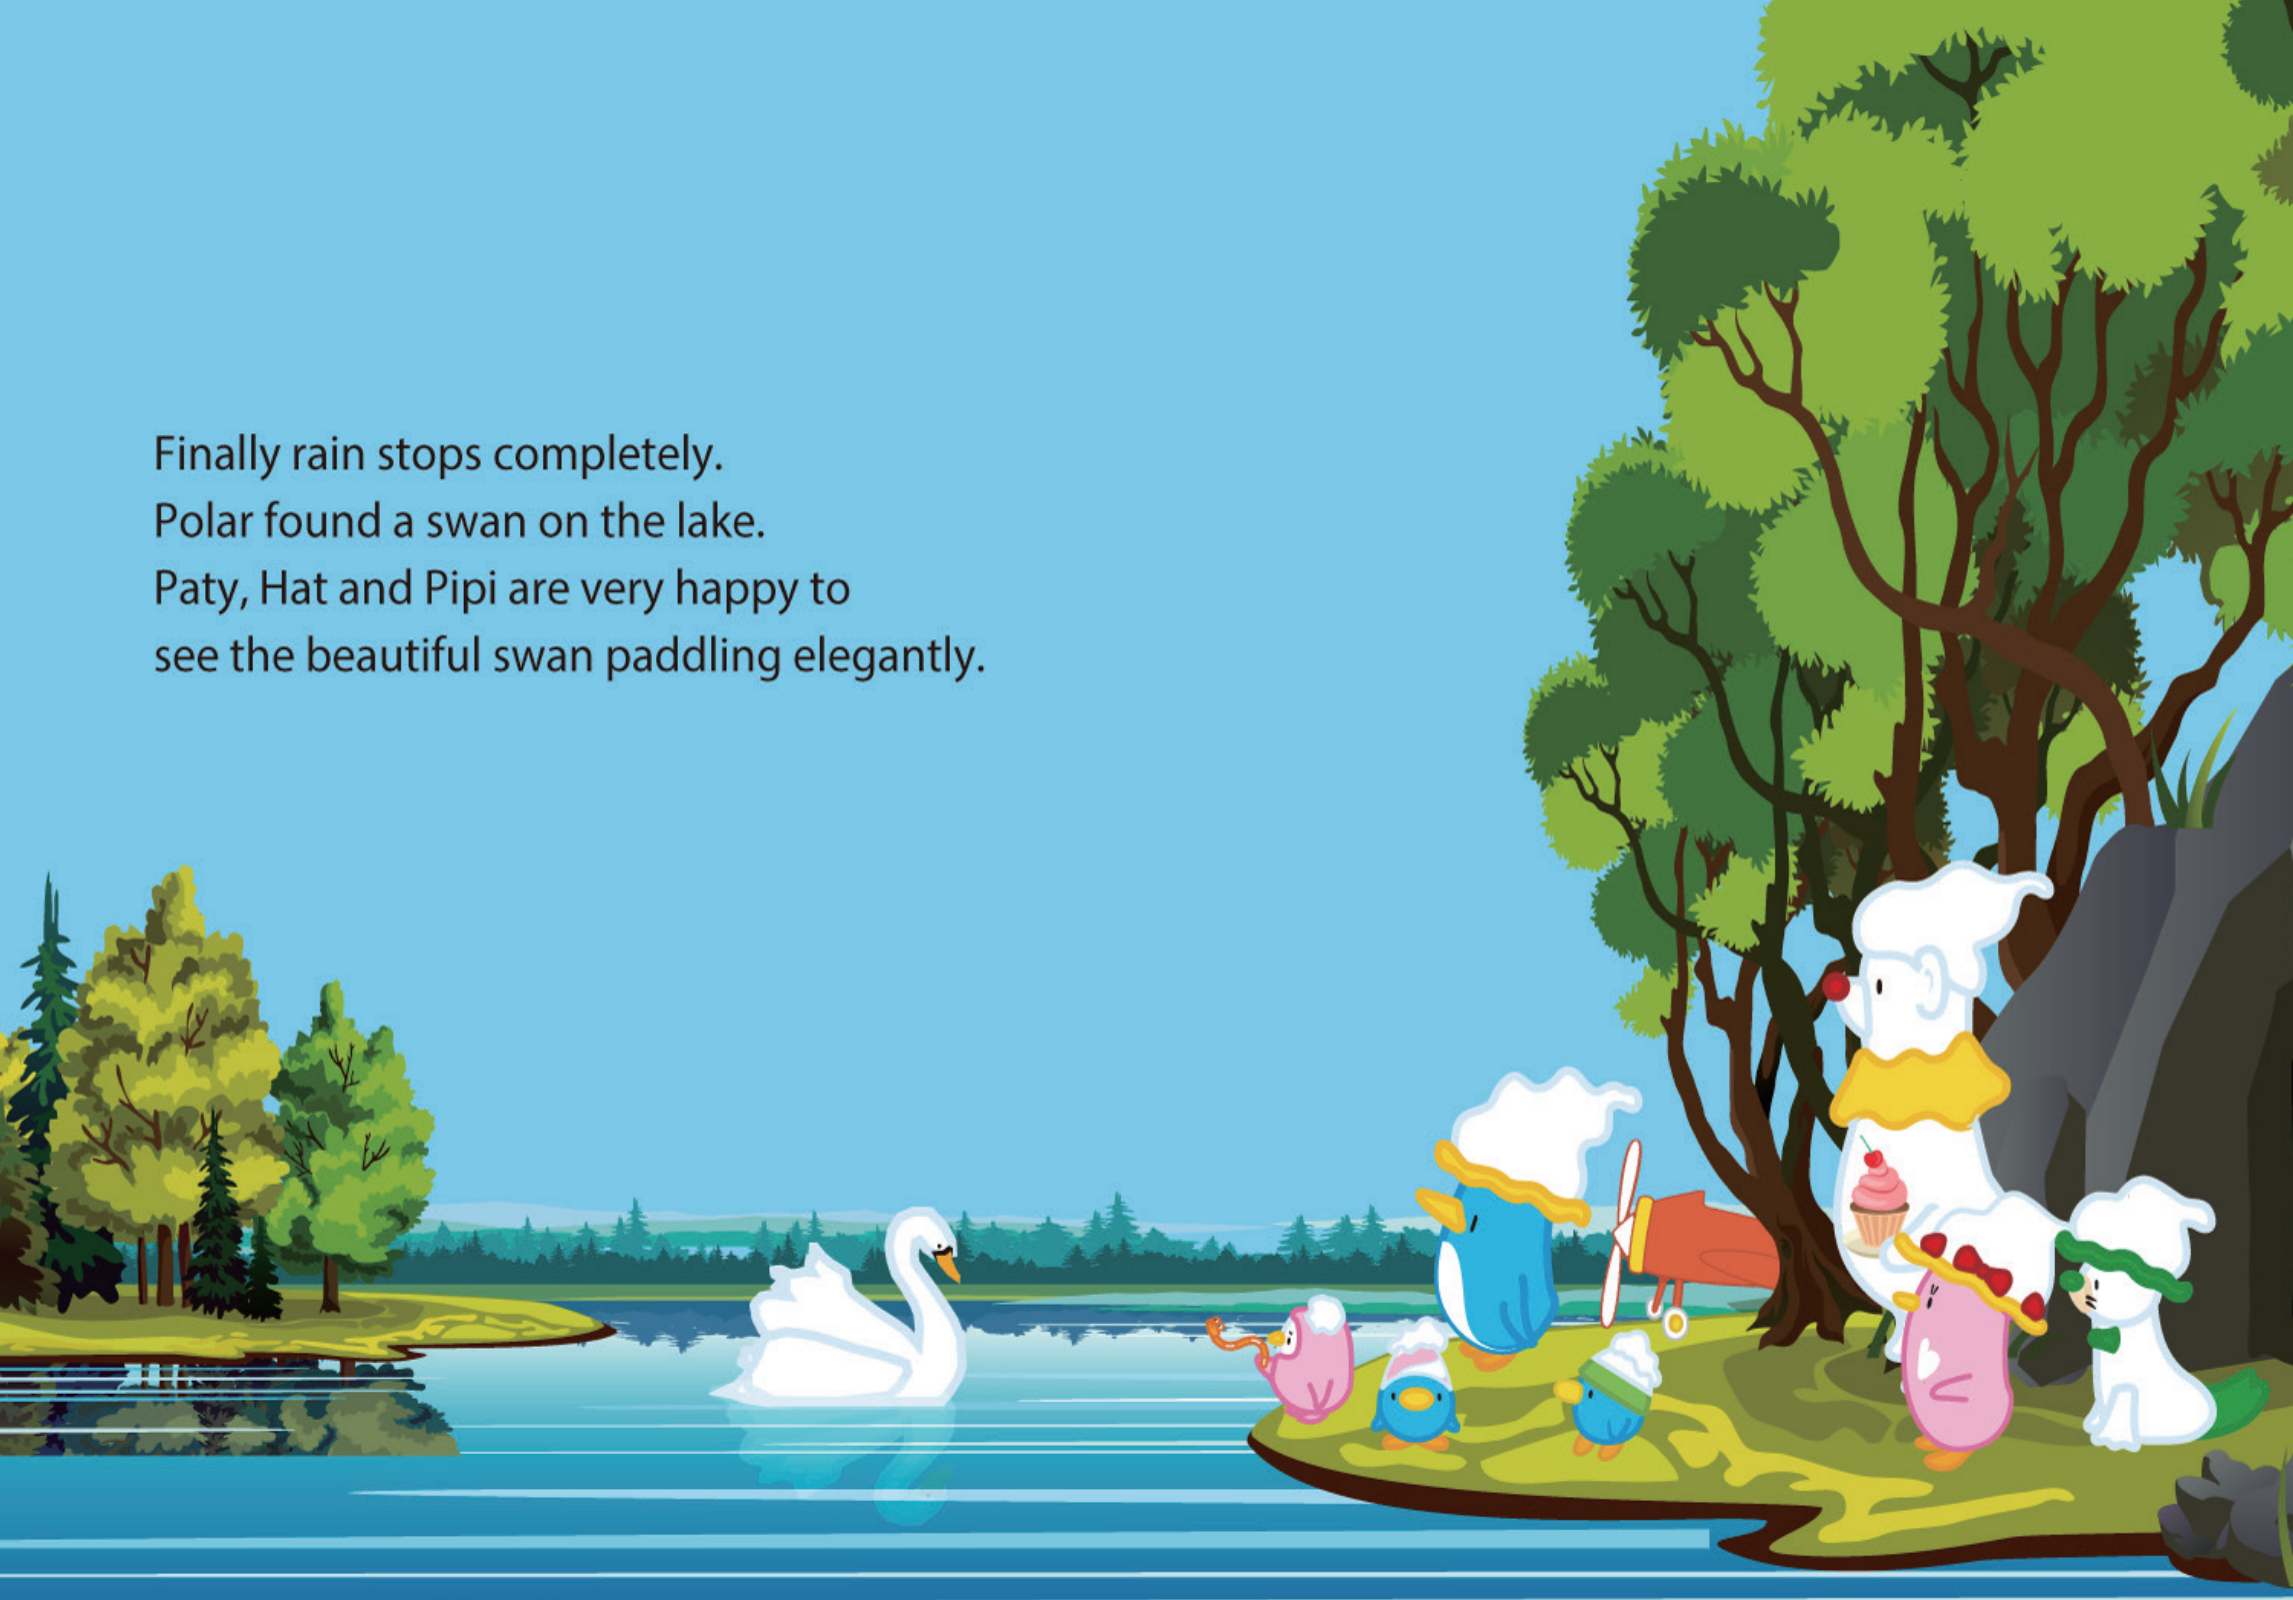

“That’ s great! Let’ s have a little rest here”,
says Bubool.

At that time, big eater Polor' s stomach growls.
Let' s have some tea!
Then beautiful tea set appears
from Bubool' s shampoo hat.

Finally rain stops completely.
Polar found a swan on the lake.
Paty, Hat and Pipi are very happy to
see the beautiful swan paddling elegantly.

While Bubool along with Paty & Hat, Zeal, Lovool,
Pipi and Polar are flying, it gets dark
and finally night falls.

The large full moon is shining upon them.
Bubool slows down to enjoy the moonlight.

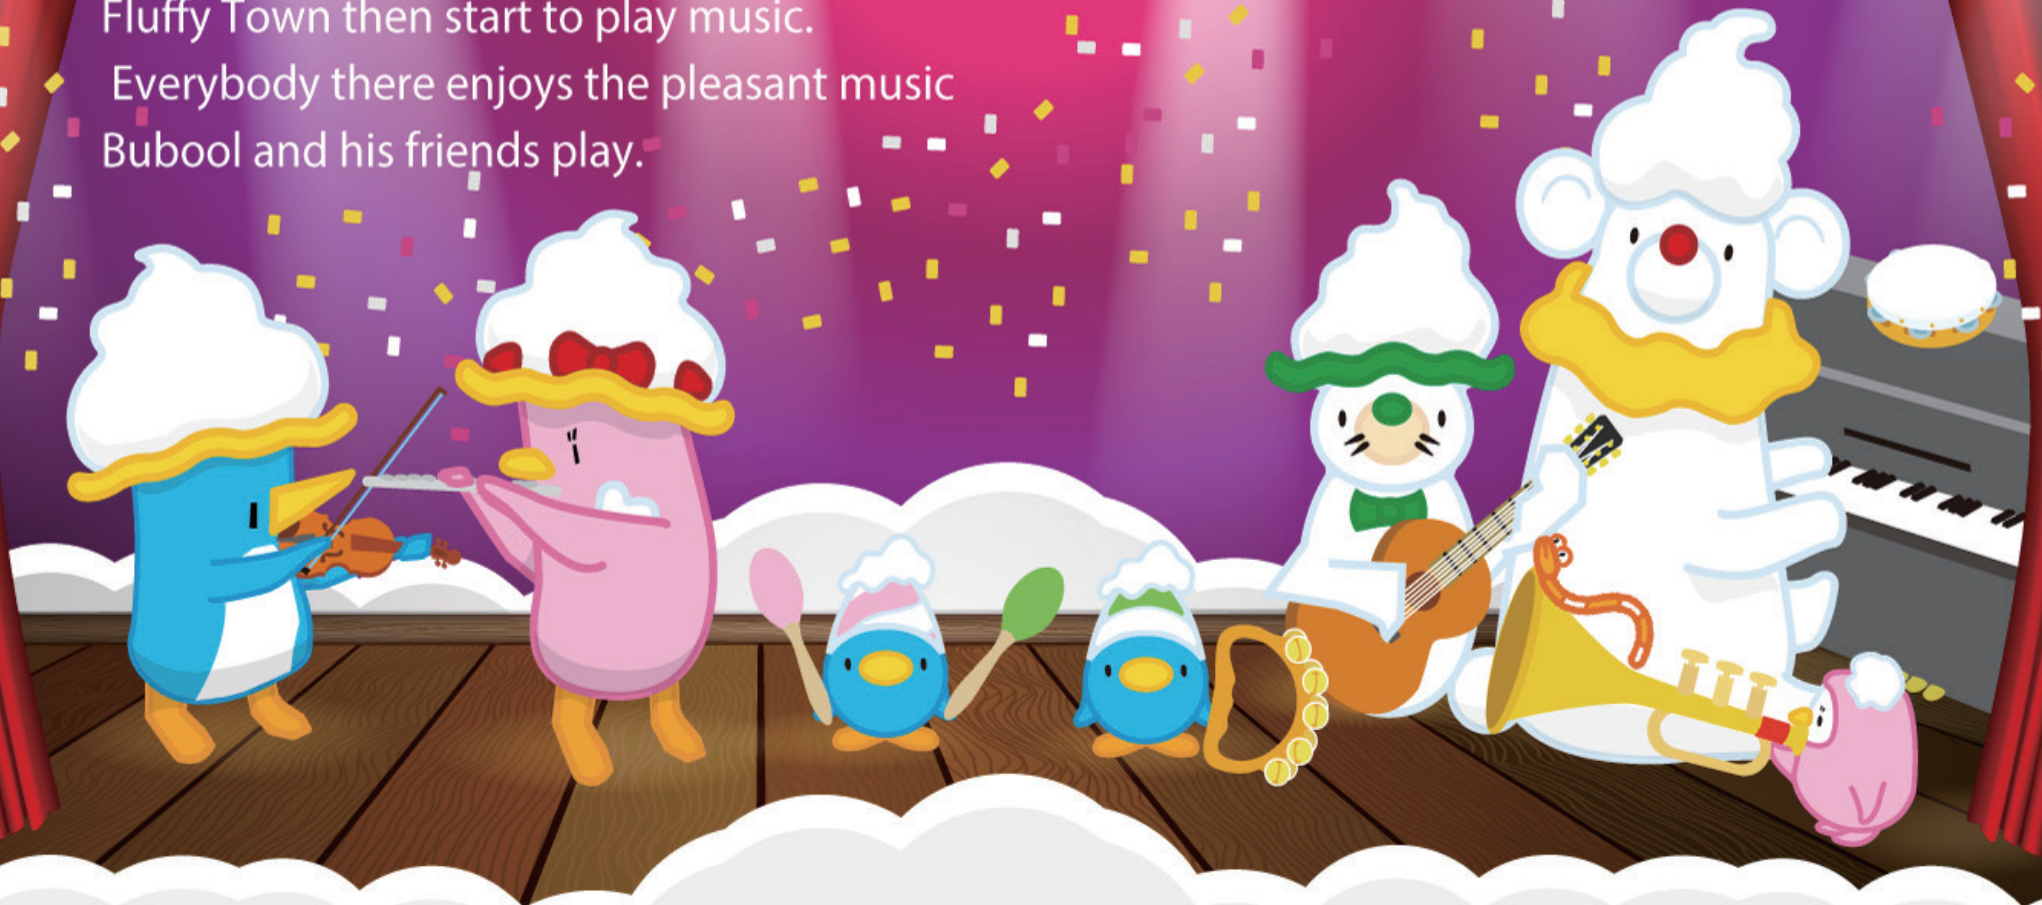

"As everybody is waiting for us,
let's get back" Then he picks up speed.

Bubool Concert

Bubool and his friends come back to Fluffy Town then start to play music. Everybody there enjoys the pleasant music Bubool and his friends play.

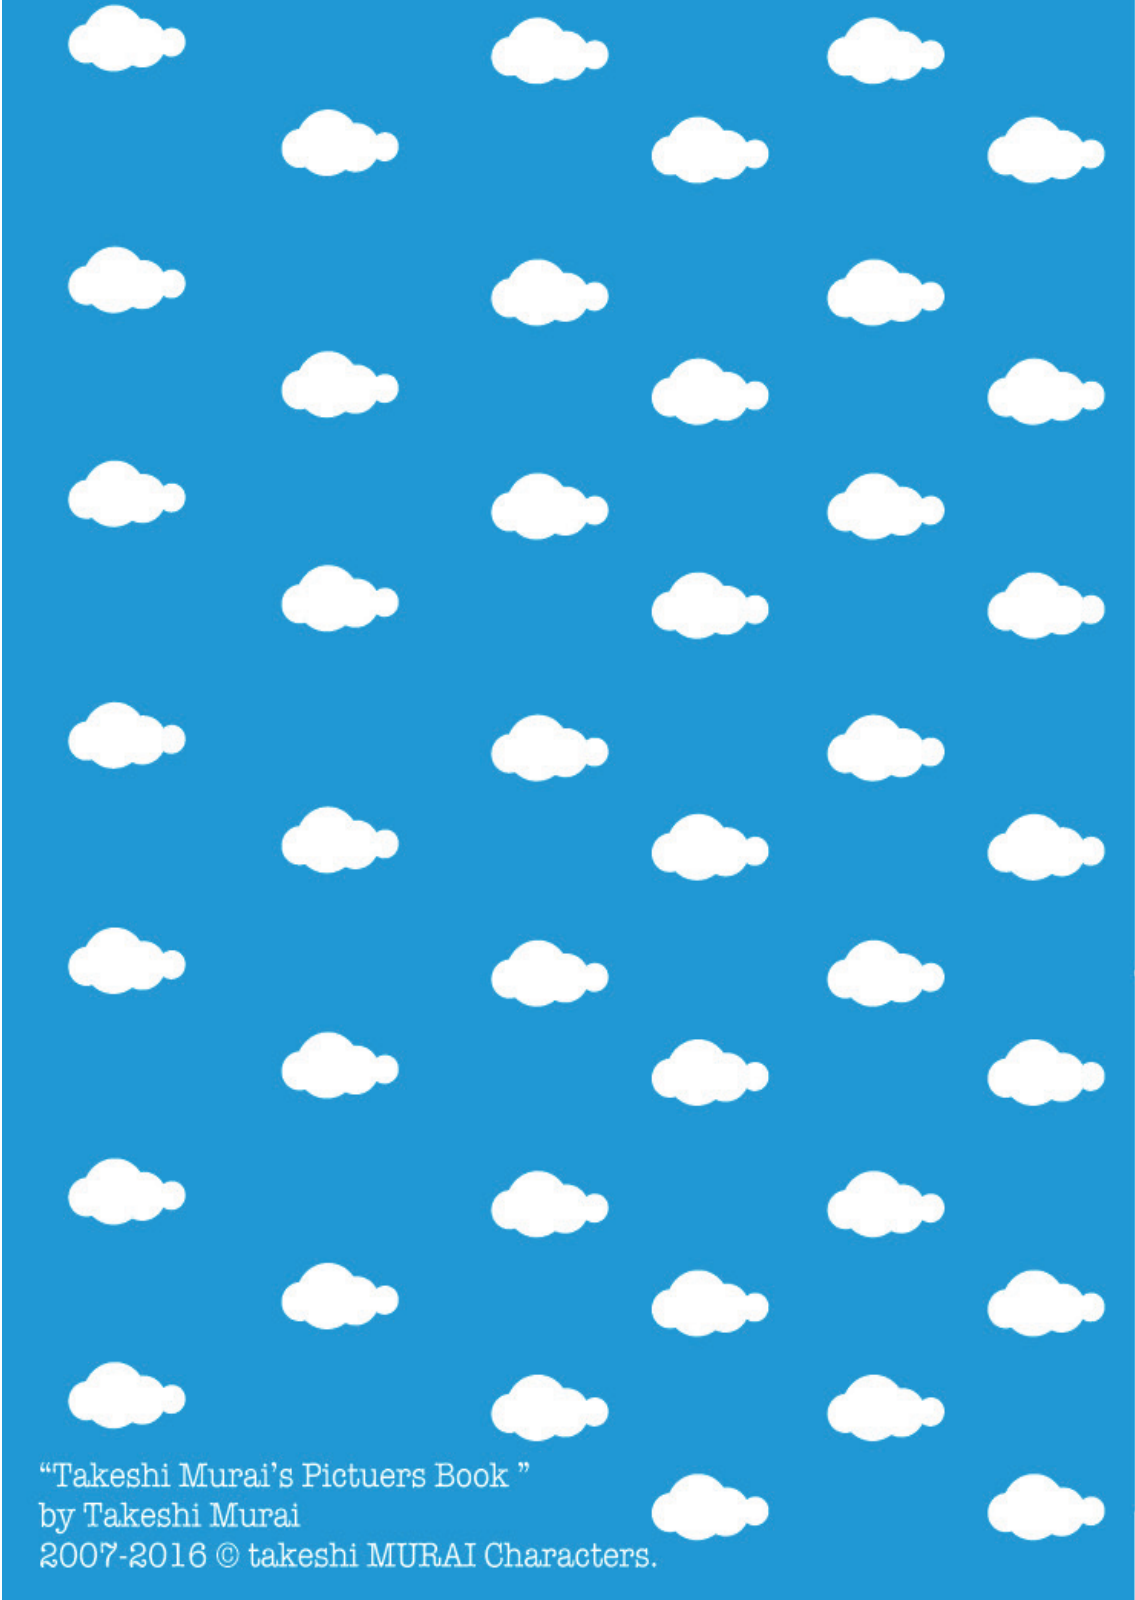

Their surprise becomes very successful.

In this way, a pleasant day is over.
Bubool and his friends are already in sweet dreams.
We wish you all have a wonderful day tomorrow!

Good night.
